

# Scale of G Major

Scale 2 octaves sep bows

Scale 2 Octaves slurred

Arpeggio 2 Octaves sep bows

Arpeggio 2 Octaves slurred

Exercise 1 "ghost notes"

Exercise 2

Exercise 3 "ghost notes"

Exercise 4

Ghost notes are fingers we use in an exercise to help us with the intonation of a note which can be hard to get in tune. In this case try the section of the scale with the ghost notes to help you until the awkward note is in tune, then remove the ghost note.

Ghost notes are written in red .
